

Payment Solution Request

Tell us what you need – we'll evaluate the best setup for your case

Purpose of this form

This form is designed to collect key information about your payment requirements in a structured and efficient manner. It focuses only on essential data and does not constitute a KYC form or an onboarding application.

The form is simple to complete: follow its structure and provide information in the designated fields. **Fields marked with an asterisk (*) and highlighted in light blue are required** and represent the minimum information needed. Completing these fields typically takes 3–5 minutes. Additional fields are optional and may help us prepare a more accurate and commercially aligned payment solution.

After completing the form, enter the date, confirm the form using the button at the end of the document, save the file, and send it to us. **You will receive a commercial offer within 72 hours.**

NOTE ON USING THE FORM

For the best experience with interactive elements and navigation, it is recommended to use **Adobe Acrobat Reader (desktop version)**. This is recommended but not required – the form can be completed and submitted without using this application.

4. ADDITIONAL INFORMATION AND EXPECTATIONS

If you would like to provide **additional details about your business, capabilities, experience, or expectations**, please use the field below.

5. CONFIRMATION AND SUBMISSION

By completing this form, you confirm that the information provided is accurate and reflects your current request.

Date:

Format: DD/MM/YYYY (e.g., 18/01/2026)

Submission process includes three steps:

1) **complete** required fields, 2) **confirm** the form, 3) **send** it to us

The button on the left is used to confirm the form and has two states:

- *Grey* – the form is not ready (required fields¹ are incomplete)
- *Green* – the form is ready

Form Status:

If the button remains grey, click it to refresh the status.

Once the button turns green (a “hand clicking” icon will appear)²:

- 1) review the information provided and complete any additional Payment Solution Blocks if needed
- 2) click the button to confirm the form
(the document will be locked and become read-only; if changes are required later, download a new version from <https://staterra.systems>, update the information, and resubmit the form)
- 3) save the file and send it to **requests@staterra.systems**

You will receive a commercial offer within 72 hours, after which we can schedule a call or meeting to discuss next steps.

¹ Required fields are marked with an asterisk (*) and highlighted in light blue.

² If the button does not activate after completing all required fields or displays incorrectly (which may depend on the PDF viewer used), simply save the form and send it to requests@staterra.systems.

Structured.

Efficient.

Mutually beneficial.

Appendix B – Payment Methods Overview

What to Provide

Each Payment Solution Block includes two fields related to payment methods:

- **Payment Method Category** – the type of payment methods applicable to your model
- **Payment Method Names** – specific payment methods within the selected category

Return to Payment Solution Block

How to Complete the Fields – Two Steps

1. In the “Payment Method Category” field, select the option that best matches the required payment methods (e.g., Cards, APMs/LPMs, Digital Wallets).

→ If “Other” is selected, specify the category in the adjacent text field

→ If unsure, select the closest applicable category

2. In the “Payment Method Names” field, list the specific methods required (e.g., Visa, Mastercard, Apple Pay, iDEAL, Paysafecard, PayID, Multibanco).

Return to Payment Solution Block

Payment Method Categories (for reference)
